

# FabLab Cape Town

At the CCDI Product Support Space

Host organisation: Cape Craft and Design Institute

Launch date: 30 May 2006

CAPE  
CRAFT & DESIGN  
INSTITUTE

## Access is by appointment

Appointments consist of a consultation, which may include assisted use of the tools and processes if required.

Assisted DIY prototyping environment, open to anybody to do anything as long as they do the work themselves, do not mass produce, and provide own materials.
